

## **Junior and Senior Solo Showcase Information**

### **Junior Solo Showcase**

**10am**

### **Senior Solo Showcase**

**5.15pm** (please note new start time)

Tickets for the solo showcases will be £5 (non-allocated seating). Audience members are free to come into and leave the theatre at any time there is an asterisk in the running order.

Students won't need a ticket and are welcome to watch once they are finished performing. We wouldn't recommend students watch before performing as they will need to keep warm backstage.

Please arrive with plenty of time to warm up properly before your first performance.

Please take responsibility and practice your solos before the weekend. We won't have time for a student to perform again if a student forgets and leaves the stage and all solos are being filmed.

We have included the order of solos below for both showcases.

Please contact us if you spot an error or don't wish to perform a dance that is in the programme.

You won't have to be backstage at the start of the showcase if you are nearer the end (each performance is approximately 2 minutes) but you must be in costume and warmed up ready for your first slot.

If you miss your slot, you won't be able to perform.

### **Help request for the morning solo showcase.**

As teachers won't be able to help change students, we are kindly asking for some help from parents or senior students who can be assigned a student with multiple costume changes. Let us know if you're available!
